\*Students must apply for admission and be accepted to the Teacher Certification Program prior to enrolling in these courses.

\*\*Students must apply for admission and be accepted to Student Teaching prior to enrolling in these courses.

The above are suggested guidelines for a timely degree completion. Students must meet with an advisor every semester, as course availability does change. Students preferring a lighter course load or a faster degree completion may take courses in the summer terms. However, not all courses are offered in the summer.
