The *ADVISORY COUNCIL* to the College of Arts and Sciences provides insight and participation toward promoting the mission of teaching, scholarship, and service. The Council members provide leadership, contribute financially, and serve as an ambassador to other Permian Basin leaders who also desire to promote innovation and advancement of the UTPB College of Arts & Sciences.

Each member of the Advisory Council for CAS are members of the Permian Basin community who have distinguished themselves and who have an affinity for the value and importance that UTPB adds to this regional area of Texas. Appointment to the Council Committee is by invitation from the Dean of the College with approval of the University President.

### **Meetings & Terms**

The CAS Council Meetings are semi-annual and are held on the UTPB campus. The Chair of the Advisory Council presides over each meeting. Council members serve a three-year term with the possibility of reappointment for an additional three-year term. The Council members are encouraged to make contributions in support of the project advancements, program needs, scholarship assistance, or study abroad travel assistance even though there are no dues associated with membership.

Membership on the council is welcomed as long as they are able to make the following commitments:

- actively contribute to the attainment of the CAS goals and objectives
- maintain regular attendance and active involvement with CAS
- desire to remain on the CAS Council as a community Ambassador
