Members present: Sophia Andres, Roy Hurst, Bob Perry, Bobbie Williams, Leslie Toombs, Narita Holmes, Lail Grant, Teresa Sewell, Karen Smith

Members reviewed the following sections: 3.7.4, 3.7.5, 3.8.1, 3.8.2. Roy Hurst is still waiting on information from Oneita and did not submit 3.4.12.

3.7.4 Two questions. Page 2, first and second paragraph – it is unclear how this links. This needs to be clarified or deleted in its entirety. A question was raised on page 1, the section in red. It is assumed that Denise added this.

3.7.5 This section needs some cleaning up. On page 1, the number of committees is confusing, a link is needed in paragraph 3, in the last paragraph, it should say “tenure & promotion”, not personnel. Last sentence on page 1 needs to be cleaned up to say something to the effect that search committees are appointed by the dean and then make recommendations...Roy Hurst is going to re-write the first two paragraphs on page 2 and bring back to us.

3.8.1 One question arose on the “service mission” part of the standard. Committee did not see how this was addressed. Table 3.3.1-2 needs to say Education/Educational Psychology. If not, it looks like we have no books on education, and 8,604 on educational psychology.

3.8.2 A few minor changes are required. Delete “during a luncheon” in best practices paragraph. Teresa will find a document showing that the library staff is on the orientation schedules. Last paragraph on page 1, delete, “In previous semesters” and start sentence with “Library purchased and distributed.

Next week the following sections are on for review/return for review: 3.4.12, 3.9.1, 3.9.2, 3.9.3, 3.10.1, 3.10.2, 3.10.4
