

Compliance Certification Team Meeting

September 25, 2008

Present: Narita Holmes, Roy Hurst, Maureen Page, Teresa Sewell, Leslie Toombs, Denise Watts, Bobbie Williams

I. Review of Minutes from September 11, 2008

Teresa Sewell's name was misspelled on the role of present members. The amended minutes were accepted as written.

II. Review of write ups for 2.6-2.7.4

2.6 Members discussed the correct usage of "baccalaureate" and "master's" when referencing degrees. Dr Hurst also questioned whether the university offered 32 or 33 degrees. The attached course inventory from THECB indicates that there are 32 baccalaureate degrees including athletic training. The committee also corrected several grammatical errors.

2.7.1 Ms. Page reminded members that "UTPB" needs to be spelled out in its first usage. The CB website stipulates that master's degrees consist of (minimum) 30 hours. Dr. Hurst commented that BS degrees here had been reduced to (minimum) 120 hours.

2.7.2 Several grammatical errors were corrected. It was noted that science courses/ labs taken to satisfy the core curriculum do not have to be taken within the same scientific field. Deficiencies were noted in the draft.

2.7.3 It was noted that all science courses fall under "physical & life", not "physical or life." Changes suggested were non-substantive.

2.7.4 Members discussed the cooperative degree in criminal justice (CCJO). The discussion on joint degrees versus cooperative degrees indicated that a cooperative degree exists when institutions accept hours from other schools as if they were their own. In a joint degree courses are kept separate and both schools appear on students' diplomas. There was a question about what would happen to the degrees that currently are offered through the UTTC if it is shut down. The UTTC has its own separate accreditation from SACS now.

III. The Next Meeting will be October 9th at 1:00 pm in room 4206.

The committee will review sections 2.8, 2.9, 2.10, 2.11.1, and 2.11.2. Any of these sections that have not yet been submitted must be sent to IRPE by October 3, 2008.

THECB Degree Program Inventory - The University of Texas of the Permian Basin - 009930
