In order to be considered for funding, a complete application must be provided to the Undergraduate Research Fund Committee. A complete application will consist of information about the applicant and mentor (above), a statement of purpose from the student (following page), and a recommendation from the proposed project mentor (separate form, available online).

Applicants must have Junior or Senior standing and should have at least two semesters remaining before their planned graduation. All students who receive support from this program will present the results of their research at an all-University Research forum to be held in each year in late spring.

Student Application - The statement of purpose from the student must include the following: a clear statement of the goal or purpose of the proposed project, an explanation of the proposed project that will be understandable to an educated but general audience, a schedule for conducting/completing the proposed project within the designated period of time (see below), and a statement of what you expect to gain by participating in the UTPB Undergraduate Research Program.

Support provided to selected students: 500.00 to be paid when the project is completed  
 Support provided to mentors: 200.00 to be paid when the project is completed  
 Support for research/travel: 200.00 to be used for equipment, travel, library fees, etc. in direct support of student research.

Program Dates  
 Applications available - 15 October  
 Application receipt deadline - 1 November  
 Selection announcement - 15 November  
 Project completion/presentation – 15 April

**STUDENT STATEMENT OF PURPOSE:**

Please provide a statement of purpose which contains all required information as listed on the cover page.
