

ART

Administered by the Department of Visual and Performing Arts within the College of Arts and Sciences.

Our Mission in ART is to:

- To prepare students to become professional artists, designers and art historians, and to develop an attitude which may lead to continued study at a more advanced or professional level in the field as well as to engage in lifelong learning practices.
- Offer a diversity of cultural esthetics and artistic media in the form of exhibitions, lectures, seminars, competitions and visiting artists that enhance the awareness of and exposure to historical and contemporary art and contemporary concerns in art education for UTPB students as well as the Permian Basin community.
- Provide the skills, knowledge and experience necessary to teach early childhood through grade four or all-level art.
- Serve non-art majors by offering courses in studio art, art history and art appreciation.
- Provide all students with a quality educational experience in the visual arts and to serve the Permian Basin as a resource through lectures, exhibitions and outreach options in art.

The visual arts program at U. T. Permian Basin provides instruction in contemporary modes of expression as well as those of the past. Within the mainstream of modern art, there are numerous opportunities for individual and commercial expression, and students are encouraged to seek out those that are best suited to themselves. In accordance with the University's broadly based humanities option, non-art majors are encouraged to enroll in courses.

There are two degrees available in Art, the **Bachelor of Arts** and the **Bachelor of Fine Arts**.

All Art majors will be required to meet the visual arts core or its equivalent. Those students transferring in who have not met these requirements must do so before taking junior and senior level courses. All majors are expected to consult with their advisor at the halfway point in their options to update their degree plans and to have a portfolio review before enrolling for junior level Art courses.

All Art majors are required to participate in at least two art competitions not associated with the Art program during their junior or senior year and all BFA Art majors are required to participate in a BFA senior seminar before they graduate. The faculty of Art reserves the right to retain class work for instructional purposes and for a permanent collection of student work. The faculty of Art also reserves the right to sell retained student work with the proceeds going to the William A. King Art Scholarship.

For students enrolled in the BA Degree:

Within the Bachelor of Arts degree there are three options, a major in Art with a minor, art history, and teacher certification.

1. The BA with a major in Art (studio option) is designed for those students seeking a liberal arts degree with Art as a major. This option meets the basic standards of the discipline and leaves sufficient electives to permit selecting courses in other disciplines. It is a 36 semester credit hour major (minimum of 24 semester credit hours at U. T. Permian Basin) with an eighteen hour minor and gives the student a broad based education in the visual arts.

This option may also prepare students for application to graduate school in art history.

Offering early childhood through fourth grade and all level certification it is a 36 semester credit hour major with an 18 hour minor for early childhood through fourth grade certification (minimum of 24 semester credit hours at U. T. Permian Basin), and a 48 semester credit hour major (minimum of 30 semester credit hours at U. T. Permian Basin) for all level certification. Studio Art minors are required to take one art history survey, one design course and one drawing course at the freshman/sophomore level. The remaining nine semester credit hours will be chosen from junior/senior level studio courses. The Art History minor is 24 hours.
