

University Honors Program

The UTPB Honors Program provides a select group of students an academically enriching and intellectually stimulating experience.

Benefits

- The opportunity to meet in smaller classes with students with similar interests and ability.
- The opportunity to exercise one's own initiative rather than always depending on explicit instructions from teachers.
- Students who graduate in the University Honors Program have that notation recorded on their diplomas and permanent records.
- Personalized and comprehensive Honors advising.
- Independent research experience providing excellent preparation for graduate and professional training.

Features of the Program

- 9 hours of seminar courses – A three-course sequence wherein students learn of the most influential ideas, authors, and trends that have helped to shape the 21st Century world.
- 6 hours of "H-designated" courses – Honors students take two honors-designated upper-division courses in their respective majors.
- 3 hours of Honors Senior Thesis – Students complete an independent senior thesis that builds on the students' knowledge and interest in a field of study. During the course, students complete a research paper or a creative project.
- 1 hour Senior Seminar – Honors students meet once a week to discuss with fellow honor students current topics and ideas as well as their individual projects.

Entrance Requirements

The admission requirements for entering freshmen are:

- Minimum 3.5 High School GPA on a 4.0 scale
