Administered by the Department of Visual and Performing Arts within the College of Arts and Sciences. The degree program in Communication will expose students to courses in the mass media, social science, and rhetorical traditions and will prepare students for a wide range of possible careers as well as for graduate and professional studies. Students will take a series of prescribed courses across the curriculum as well as several electives designed to meet their particular interests and needs. Each Communication student should be better prepared to use critical skills in a rapidly evolving workplace.

**General Education (42 semester credit hours)**
Complete the General Education Requirements section of this catalog. Students are encouraged to discuss options with their Communication faculty advisor.

**Computer Use**
It is expected that all Communication majors and minors possess basic personal computer skills prior to enrollment in courses. Many classes in the Communication program require that assignments be completed using a personal computer. Regular use of email, browsers, spreadsheets, word processing, and graphic software on multiple platforms is incorporated into the fabric of the curriculum.

**Major Requirements**
The major in Communication requires that students complete 48 hours of upper level coursework in the 120 hour curriculum. Students are encouraged to consult with their Communication faculty advisor concerning courses which will best further the interests of each student.

The major requires a minimum of 36 hours of COMM courses. The following courses are required of all majors (21 hours):

1) COMM 1301, Introduction to the Study of Communication
2) COMM 1318, Interpersonal Communication OR COMM 2333, Small Group Communication
3) COMM 2301, Modern Media and Society
4) COMM 2302, Rhetoric in Western Thought
5) COMM 2351, Measurement in Communication OR COMM 3385 Research Methods
6) COMM 3360, Theories of Communication
7) COMM 4389, Seminar in Communication OR COMM 4392 Internship

The remaining 15 hours will be COMM electives or other electives. COMM majors are required to earn a minor of at least 18 hours. Of the 36 hours required in COMM, 18 must be completed at the 3000 level or higher. This means that at least 12 of the 15 elective hours in Communication must be taken as upper level classes.

Either or both of the following courses may be substituted for upper level hours in COMM except that courses counted toward the major requirements cannot also fulfill a requirement for the student's minor field. Prerequisites for these courses will not apply to the COMM requirements.

1) MRKT 3300, Principles of Marketing
2) PSYC 3301, Introductory Statistics

**Elective Courses**
To complete the 36 hours required in Communication, each student will enroll in 15 hours of elective COMM courses. At least 12 of those 15 hours will be at the 3000 level or higher. Students will fashion a program of study best suited to their
individual goals in consultation with the Communication faculty advisor. We suggest the following program of study as a guideline:

**Internships in Communication**
Internships are a traditional component of communication programs and strongly encouraged at UTPB. Students interested in Communication Internships should register for COMM 4392 before or on the “Last day to add a course” stated in the Course Schedule. They should turn in an internship proposal and the Agreement (between UTPB and the chosen organization) to the supervising professor within the first 2 weeks of the semester. They need to work at the chosen organizations for 100 or more hours during a semester and submit to the professor a summary reporting the results of their research and work experience at the end of the semester. Students employed in media-based organizations may enroll in COMM 4392 only if their internship experience is removed from their normal daily activity.

**Minor in Communication**
Communication skills are an essential component of success in any field of endeavor, and the minor in Communication is an excellent companion to any major offered at the University. The requirement for a minor in Communication is 18 semester credit hours in the discipline with at least 9 of those hours at the upper level. No specific courses are required, and students are encouraged to consult with any member of the Communication faculty to determine a program of study which would be most useful in meeting their professional goals.
