THIS FORM MUST BE PROCESSED THROUGH THE GRADUATE STUDIES OFFICE BEFORE IT BECOMES OFFICIAL.

Any changes after initial processing must be on a CHANGE FORM. No modifications may be made directly on a completed degree plan.

NOTE: The master's degree must be completed within 8 years. The eight year period begins at the date of completion of the first course to be applied toward degree requirements. No course more than 8 years old at the time of graduation may be applied toward requirements for the degree

NOTE: When all work on the Degree Plan has been completed, you are eligible to apply for your Master's Degree. It is not awarded automatically. The student must enroll in the semester that the degree is to be awarded, pay the graduation fee, and turn the completed "Application to Graduate" form in to the Registrar's office by the due date printed in the course schedule.

Your degree must be completed by _____

Student	Date	Program Head	Date
Major Advisor	Date	Assistant Vice President for Graduate Studies	Date
Committee Member if thesis; Not Applicable if non-thesis	Date
