Dr. Yolanda Salgado
University of Texas of the Permian Basin

Dear Dr. Salgado:

With the adopted amendments to the standard in Texas Administrative Code (TAC) §229.4, TEA staff will recommend that your program be assigned the following status under the Accountability System for Educator Preparation at the **April 26, 2019** State Board for Educator Certification (SBEC) meeting:

ACCREDITED

This recommended accreditation status is based on 2017-2018 academic year data, and the rules currently in effect to determine accreditation ratings. Once the recommendation is approved by the SBEC, the status will be effective from the date SBEC approves it until SBEC approves the next annual accreditation ratings based on 2018-2019 academic year data. After the SBEC takes action on this recommendation, TEA staff will post accreditation statuses for all educator preparation programs (EPPs) on the Educator Preparation Program Consumer Information web page.

The table below reflects the required performance standards and program deficiencies for accountability purposes, pursuant to TAC §229.4.
