**TEACHER RESIDENCIES IN OPPORTUNITY CULTURE**  
ECISD and MISD, 2020-2021 School Year

In Opportunity Culture residencies, teachers with a record of high-growth student learning teams, and aspiring educators earn degrees and certification while working full-time on one of our schools.

...excellent teaching while training aspiring educators for aspiring educators in content best taught by them, including aspiring educators.

**Teacher Residents Serving as Substitute Teachers**  
Pursuant to Texas SB 1 and HB 339, in certain situations, the Teacher Resident may but may not be allowed to serve as a Clinical Educator.

- The Teacher Resident may substitute only if he/she has completed the district's training.
- The Teacher Resident may substitute only after successfully completing four weeks of training.
- The Teacher Resident may provide *Release Time* only for the MCL but should not be used for other purposes.
- The Teacher Resident may serve as a substitute teacher only if he/she is willing to be recommended by the MCL, the Clinical Educator and the Site Coordinator recommend him/her for substituting.

# Walkthrough Reinforcements

**1.1: Standards and Alignment** The teacher designs clear, well-organized, sequential lessons that reflect best practice, align with standards and are appropriate for diverse learners.

**1.2: Data and Assessment** The teacher uses formal and informal methods to measure student progress, then manages and analyzes student data to inform instruction.

**1.4: Activities** The teacher plans engaging, flexible lessons that encourage higher order thinking, persistence and achievement.

**2.1: Achieving Expectations** The teacher supports all learners in their pursuit of high levels of academic and social-emotional success.

**2.3: Communication** The teacher clearly and accurately communicates to support persistence, deeper learning, and effective effort.

**2.4: Differentiation** The teacher differentiates instruction, aligning methods and techniques to diverse student needs.

**3.1 Learning Environment** Classroom Environment, Routines and Procedures: The teacher organizes a safe, accessible and efficient classroom.

**3.2 Managing Student Behavior:** The teacher establishes, communicates and maintains clear expectations for student behavior.

**3.3 Classroom Culture:** The teacher leads a mutually respectful and collaborative class of actively engaged learners.

# Walkthrough Refinements

**1.1: Standards and Alignment** The teacher designs clear, well-organized, sequential lessons that reflect best practice, align with standards and are appropriate for diverse learners.

**1.2: Data and Assessment** The teacher uses formal and informal methods to measure student progress, then manages and analyzes student data to inform instruction.

**1.3: Knowledge of Students** Through knowledge of students and proven practices, the teacher ensures high levels of learning, social-emotional development and achievement for all students.

**1.4: Activities** The teacher plans engaging, flexible lessons that encourage higher order thinking, persistence and achievement.

**2.1: Achieving Expectations** The teacher supports all learners in their pursuit of high levels of academic and social-emotional success.

**2.2: Content Knowledge and Expertise** The teacher uses content and pedagogical expertise to design and execute lessons aligned with state standards, related content, and student needs.

**2.3: Communication** The teacher clearly and accurately communicates to support persistence, deeper learning, and effective effort.

**2.4: Differentiation** The teacher differentiates instruction, aligning methods and techniques to diverse student needs.

**2.5: Monitor and Adjust** The teacher formally and informally collects, analyzes, and uses student progress data and makes needed lesson adjustments.

**3.1 Learning Environment** Classroom Environment, Routines and Procedures: The teacher organizes a safe, accessible and efficient classroom.

**3.2 Managing Student Behavior:** The teacher establishes, communicates and maintains clear expectations for student behavior.

**3.3 Classroom Culture:** The teacher leads a mutually respectful and collaborative class of actively engaged learners.

### TEACHER RESIDENCIES IN

### OPPORTUNITY CULTURE

### SCHOOLS

#### PROGRESSION OF TEACHER RESIDENT DEVELOPMENT AND RELEASE TIME

UT PERMIAN BASIN 2020-21 ELEMENTARY RESIDENCY GUIDELINES

The goal of residencies in Opportunity Culture is to produce high-growth student learning and to teach aspiring teachers how to produce it. UT Permian Basin's residency program has adopted a co-teaching model for residency field experiences; in this context, residency co-teaching may occur within the same room or down the hall, but *always* guided by a multi-classroom leader who has produced prior high-growth student learning. Teacher Candidates are required to be actively engaged in as many of the elements of the classroom and MCL team as possible from the very beginning. Teacher Candidates should assume greater responsibilities throughout their residency experience—including providing release time and support for the MCL and Team Teachers, and teaching students directly, starting with small groups. This document provides suggestions and guidelines related to residency co-teaching, teacher resident development, and release time. Each MCL, Site Coordinator and resident should work collaboratively to determine the best way to meet the resident's and team's needs.

ELEMENTARY				
Week	Suggested Residency Co-Teaching Strategies	Minimum Teacher Resident Responsibilities	Minimum Multi-Classroom Leader Responsibilities	Release Time Recommendations
1	One teach   one observe  One teach   one assist  Alternative teaching	Assume partial responsibility for leading classroom routines (e.g., attendance, bell work, dismissal)  lead small group activities planned by the MCL (recommended that MCL	Modeling for TR  Include TR in team planning time (suggested min. 2 hours per week). Reserve additional 1:1 planning time with TR (suggested 30 minutes per day, alone and/or w/new teachers on team).	TR provides 0 minutes of release time  Suggested Activities Planned and Guided by MCL: Calendar activities, planner set up and checking, Go noodle/Brain break
