**Undergraduate students should not use this petition form.** There is another form for Undergraduate Petitions which can be obtained from the Registrar's Office or can be accessed on the web on the UT Permian Basin Home Page; Administration; University Forms.

**The Petition Process:** Normally, the petition process starts with the student's major advisor. The student should meet with his/her advisor and complete a degree plan. A degree plan becomes final when it is on file in the student's permanent file in the Graduate Studies office. To modify a filed degree plan or document interpretations and exceptions prior to filing a degree plan, the student should complete the Graduate Academic Petition. The student should then gain the faculty advisor's recommendation.

**Required Approvals for Degree Seeking Students:** All petitions require the approval of the student's graduate committee. They also require approval by the program head and the dean of the college or school. Final approval is from the Dean of Graduate Studies and the Graduate Council.

**Required Approvals for Certification and Other Students:** All petitions require the approval of the student's advisor, the dean of the college or school of the student's major field, with the final approval from the Dean of Graduate Studies and the Graduate Council. The Original plus one copy will go to the Graduate Studies' Office for the student's official file and for a Petitions File; One copy will be given or sent to the student; and One copy will go to the student's faculty advisor or appropriate office for inclusion in the student's advising file.

**NOTE:** Graduate Academic Petition Forms may be obtained from the Graduate Studies Office or can be accessed on the web on the UT Permian Basin Graduate Studies page; Graduate Forms.
