

ACCELERATED MASTER'S PATHWAY (AMP) STUDENT INTERNAL APPLICATION

The UTPB Accelerated Masters Pathway (AMP) Program allows academically qualified undergraduate students to complete both a bachelor's degree and a master's degree on an accelerated timeline, completing both degrees sooner than in traditional programs. In some cases, students can take up to twelve (12) graduate credit hours and count them toward both their undergraduate and graduate degree. AMP participants who successfully meet the requirements will automatically be accepted into Graduate Studies and will not have to take the Graduate Record Examination (GRE). Students that are in the 4+1 program excluding 5th year Accounting will not be eligible for financial aid of courses taken at the graduate level.
