300.080. EMERGENCY MANAGEMENT PLAN

The advisory board ("Board") of the UT Permian Basin STEM Academy adopts the following policy, which shall be effective on the date that the policy is adopted by the Board.

The Superintendent or designee, in corporation with the University of Texas Permian Basin Environmental Health and Safety office, shall develop and implement a multihazard emergency operations plan for use in the UT Permian Basin STEM Academy’s facilities. The plan must provide for:

1. the mitigation, preparedness, response, and recovery in regards to an emergency;
2. employee training in responding to an emergency;
3. mandatory school drill exercises to prepare students and employees for responding to an emergency, and
4. measures to ensure coordination with the Department of State Health Services and local emergency management agencies, law enforcement, health departments, and fire departments in the event of an emergency.

Each campus of the UT Permian Basin STEM Academy shall have a copy of the emergency management plan and all staff/personnel will be trained annually on the emergency procedures.
300.100. INSTRUCTIONAL MATERIALS
The advisory board (“Board”) of the UT Permian Basin STEM Academy adopts the following policy which shall be effective on the date that the policy is adopted by the Board.

The instructional material adoption process shall comport with relevant laws and regulations.

SECTION 1. Instructional Materials Allotment

Section 1.1. Certification of Use. The use of the UT Permian Basin STEM Academy’s instructional materials allotment (“IMA”) shall comport with applicable law and regulation. The Superintendent shall annually certify to the commissioner of education that the UT Permian Basin STEM Academy’s IMA has been used solely for expenses allowed by law.

Section 1.2. Request for Adjustment. If the number of students attending the UT Permian Basin STEM Academy will increase or decrease during the school year for which the IMA is provided, the Superintendent, shall ensure that a timely request is submitted to the commissioner of education requesting an adjustment in the number of students for which the UT Permian Basin STEM Academy is entitled to receive an IMA.

SECTION 2. Selection of Instructional Materials

Section 2.1. Instructional Materials Selection Committees.

a. Appointment. The Superintendent shall appoint an instructional materials selection committee to review and consider textbooks, as well as other instructional materials for adoption by the UT Permian Basin STEM Academy.

b. Recommendation to the Board. The committee shall review instructional and make a recommendation to the Board as to which instructional materials should be adopted by the UT Permian Basin STEM Academy.

Section 2.2. Supplemental Instructional Materials. If the UT Permian Basin STEM Academy requisitions supplemental instructional materials, the Superintendent, shall ensure that the UT Permian Basin STEM Academy certifies to the Texas Education Agency that the supplemental instructional materials, in combination with any other instructional materials or supplemental instructional materials used by the UT Permian Basin STEM Academy, cover the essential knowledge and skills identified in law.

Section 2.3. Notification to SBOE. Each year, during the period established by the State Board of Education (“SBOE”), the Superintendent, shall notify the SBOE of the instructional materials selected for the following school year as required by law.

Section 2.4. TEA Report. By April 1st of each year, the Superintendent, shall transmit to the TEA a report listing the instructional materials selected for use at the UT Permian Basin STEM Academy.

Section 2.5. Annual Certification of Provision of Materials. Before the beginning of each school year, the Superintendent or designee, shall certify to the SBOE and the commissioner of education that the UT Permian Basin STEM Academy, for each subject in the required curriculum and each grade level, provides instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE.
Section 2.6. Board Ratification of the Annual Certification. The certification shall be ratified by the Board in a public, noticed meeting and shall be submitted in a format approved by the commissioner of education.

SECTION 3. Handling and Requisition

Section 3.1. Instructional Materials Coordinator. The Superintendent delegates to the Curriculum Director the authority to requisition, distribute, and manage the inventory of instructional materials in a manner consistent with all laws and regulations.

Section 3.2. Requisitions. By June 1st each year, the UT Permian Basin STEM Academy shall requisition instructional materials using the online requisition program maintained by the commissioner of education.

Section 3.3. Inventory. Annually, the Curriculum Director shall conduct a physical inventory of all currently adopted instructional materials. The results of the inventory shall be recorded in the UT Permian Basin STEM Academy’s files.

SECTION 4. Responsibility for Instructional Materials and Technological Equipment

Section 4.1. Student. A student must return all instructional materials and/or technological equipment to the teacher at the end of the school year or when the student withdraws from school.
   a. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued, but not returned in an acceptable condition, are paid for by the student, student’s parent, or student’s guardian.
   b. The UT Permian Basin STEM Academy shall allow the student to use instructional materials and technological equipment during each school day.
   c. At the discretion of the Superintendent or designee the UT Permian Basin STEM Academy may waive or reduce the required payment for a student who is eligible for free or reduced price school meals.

Section 4.2. Employee. The Superintendent or designee, shall ensure that in consideration for the ability of an employee to use, for personal business, electronic instructional材料 or technological equipment off school property or outside of a school-sponsored event, the employee enters into a written agreement with the UT Permian Basin STEM Academy whereby the employee assumes financial responsibility for the electronic instructional material and/or technological equipment. Such agreement shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. The employee may not be required to agree to such an agreement as a condition of employment.

SECTION 5. DISPOSAL PROCEDURES

The UT Permian Basin STEM Academy will dispose of discontinued printed instructional materials, electronic instructional materials, and technological equipment per UT Permian Basin policy.
300.120 GRIEVANCE PROCESS
The advisory board (“Board”) of the UT Permian Basin STEM Academy adopts the following policy, which shall be effective on the date that the policy is adopted by the Board.

This policy governs student and parent complaints, employee grievances, and citizen complaints.

For purposes of this policy, “days” means school calendar days.

The Board encourages all complaints to be resolved at the lowest level possible. With the exception of a complaint against the Superintendent, each complaint must initially be brought at the lowest level of review, at the Campus Principal Review level. If the only administrator with the authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Section 2 below, following the procedure including the deadlines for filing a complaint under Section 1.

If the complaint is not filed with the appropriate administrator, the receiving administrator must make a record of the date and time the complaint was received and immediately forward the complaint to the appropriate administrator.

Concerns should be expressed as soon as possible to allow early and efficient resolution.

SECTION 1. Campus Principal Review of Complaint
Where a(n) the UT Permian Basin STEM Academy employee, student, guardian of a student, or a member of the public has a complaint or concern regarding the UT Permian Basin STEM Academy, the individual shall first bring their complaint or concern in writing to the appropriate campus principal. The complaint must be brought within 15 school days of the date that the complainant knew or should have known of the alleged harm. The complaint must be specific, and where possible suggest a resolution. The principal must hear the complaint, attempt to remedy the complaint in the best interest of the affected parties, and document the outcome. The principal must respond to the complainant and issue a final decision in writing within 10 days of the principal’s receipt of the complaint.

SECTION 2. Superintendent Review of Complaint
If the individual bringing the complaint is not satisfied with the campus principal’s final decision, then the individual may file a written appeal to the Superintendent the UT Permian Basin STEM Academy. This written appeal shall be filed with the Superintendent’s office within 10 days of the individual’s receipt of the campus principal’s final decision. The complaint shall include a copy of the written complaint to the campus principal along with a copy of the campus principal’s final decision. A copy of the appeal shall also be delivered to the campus principal.

The appeal must be specific, and where possible suggest a resolution. The complaint shall not include any new issues or complaints unrelated in the original complaint expressed to the campus principal.

The Superintendent or designee shall respond to the complaint and issue a final decision in writing within 15 days of receipt of the written appeal.
