## Online Academic Partnership (AP) Enrollment History 2020-2021 Review Form

As a student enrolled in a UTPB academic program that is conducted entirely online, on your behalf we must review your recent enrollment and financial aid records. This flag requires The Office of Financial Aid to review your enrollment history to determine your eligibility to receive Federal student aid funds.

### F. Certification and Signature

The information I have provided on this form is complete and accurate. I understand that although I have the right to attend concurrently as many institutions of higher education as I wish, I know that I do NOT have the right to apply for, and receive, Federal financial aid at more than one school at a time (i.e. I cannot receive federal aid from more than one school for any overlapping enrollment period). I understand that the Financial Aid Office at UTPB will review this information, as well as the National Student Loan Data System (NSLDS) and Common Origination and Disbursement (COD) databases, and if they find conflicting information in that review they will (1) determine that they need to cancel my UT Permian Basin financial aid application, and (2) they will follow their required process to report my application to the Office of the United States Inspector General for potential fraud review. Your application for financial aid will not be reviewed until you submit this completed form. Signing below certifies that all of the information reported is complete and accurate.
