DIRECT PLUS LOAN APPLICATION

William D. Ford Federal Direct Loan Program Federal Direct PLUS Loan Request for Supplemental Information

This is a request for supplemental information in connection with your application for a Federal Direct PLUS Loan (Direct PLUS Loan) through the William D. Ford Federal Direct Loan (Direct Loan) Program. Some schools may have a different process for obtaining the additional information needed to process your Direct PLUS Loan application.

The information that you provide will be sent to the school that you select. The school you select will use the information collected to determine your eligibility for a Direct PLUS Loan and process your application.

Before you can receive a Direct PLUS Loan, you must complete a Direct PLUS Loan Master Promissory Note (Direct PLUS Loan MPN), which explains all of the terms and conditions of Direct PLUS Loans and constitutes your legally binding agreement to repay all Direct PLUS Loans that you receive under the Direct PLUS Loan MPN. You will have an opportunity to complete the Direct PLUS Loan MPN after you complete the Direct PLUS Loan Request.

The Direct PLUS Loan Request allows you to authorize the school to use your loan funds to satisfy other educationally related charges after tuition and fees, and room and board have been paid. You are not required to provide this authorization.

If you are a parent borrower, the Direct PLUS Loan Request also allows you to:

- Designate whether the school pays any credit balance to the student or to you.
- Request a deferment while the student is in school.
- Request an additional deferment for 6 months after the student ceases to be enrolled at least half time.

Telephone number:

Request for Deferment While Student is Enrolled in School

If you select Yes below, your servicer will contact you shortly before your Direct PLUS Loan enters repayment. A Direct PLUS Loan enters repayment on the date the final disbursement of the loan is made. At this time, your servicer will:

- (1) Provide you with the complete terms and conditions of the deferment; and
- (2) Give you the opportunity to cancel your deferment request and begin making payments on your loan.

Unless you cancel your deferment request, your servicer will grant a deferment on your Direct PLUS Loan that will begin on the date your Direct PLUS Loan enters repayment, and will end on the date the student ceases to be enrolled on at least a half-time basis or, if you request the additional deferment period described below, six months after the student ceases to be enrolled on at least a half-time basis.

During the deferment period, you will not be required to make any payments on your Direct PLUS Loan. However, interest will continue to accrue. You will receive interest statements during the deferment period and may pay the accruing interest at any time. Any interest that you do not pay will be capitalized (added to your loan principal balance) at the end of the deferment period. Capitalization will increase your loan principal amount and the total cost of your loan.

If you select No below, the first payment on your Direct PLUS Loan will be due within 60 days after the date of the last disbursement of the loan. Your servicer will notify you of your payment due date and payment amount. If you later change your mind and decide that you wish to defer payments while the student is in school, you may request a deferment at any time while the student remains enrolled on at least a half-time basis.
