

DECORUM AND COURTESY

The faculty and staff at The University of Texas Permian Basin congratulate you on your academic achievement and wish to ensure that the commencement ceremony will be a fitting conclusion to this phase of your education!

The University of Texas Permian Basin commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many different ways, including the dress of the students; the faculty adorned in academic regalia; and the warmth, joy, and satisfaction of accomplishment. The ceremony is also marked by a seriousness that signifies the long, hard work on the part of everyone involved: students, faculty, administrators, and families. As a result of the serious nature of the ceremony, students and guests are expected to maintain a measure of decorum consistent with the occasion.

The UTPB community requests that audience participation be of respectful celebration. Please remain seated for the Processional and Recessional, and remain seated until all graduates exit the hall. Following the Recessional, audience members can then leave their seats and join their graduate in the lobby.

Walking across the stage is an unforgettable moment for our graduates, and each deserves the respect and celebration befitting this achievement. Thank you for taking part in this significant moment to celebrate the class of 2024.

THE UNIVERSITY OF TEXAS PERMIAN BASIN™

Today, you join an extraordinary group of men and women — our Falcon alumni. Commencement honors the hard work and dedication of each graduate, and reaching this milestone is a great achievement. While this day may symbolize the end of one chapter, it also celebrates new opportunities. Your success at UT Permian Basin has laid a strong foundation for a better life for you and your family and, by extension, for our entire community. Congratulations! Here's to your bright future!
