

# BIOMEDICAL RESEARCH CAMP

JUNE 13TH-16TH & JUNE 20TH-23RD 2022  
9AM-5PM

**UT PERMIAN BASIN**  
**SCIENCE & TECHNOLOGY BLDG.**

FOR RISING STUDENTS IN GRADES 10TH-12TH

CAS@UTPB.EDU  
432-552-2220

**\$250**  
**2 WEEK EXPERIENCE**

The Biomedical Research Center (BRC) focuses on areas of biomedical research such as cardiovascular disease, neurodegenerative diseases (Alzheimer's, ALS), CO releasing molecules as pharmaceutical drug systems, and syntheses of drugs to treat gout. Renown biomedical researchers Xuemin Xu, Mei-Zhen Cui, Chao Dong and Nin Dingra are hosting a two-week research experience. By learning through live instruction and mentoring, students will have some of the best hands on experience and expand their knowledge in Biomedical Research.
