The University of Texas of the Permian Basin Dual Credit Academy
UTPB Dual Credit Academy

• UTPB dual credit courses are **$150 per course per student except for English 1301 and 1302 courses which are $200 each per course.** (compared to $812.44 per course for traditional students)

• $500 SPUR Scholarship awarded to all dual credit students who complete a dual credit course with a 70 or better (one per semester). SPUR Scholarships can be used after a student graduates from high school (one per semester) and can be applied toward any UTPB course for tuition, textbooks, or fees for courses online or on campus.

• UTPB provides the Texas Success Initiative Assessment-Accuplacer (TSI) at no charge to the Home School student.

• House Bill 505 allows 9th-12th grade students to begin taking up to 15 hours per semester.

• The University of Texas of the Permian Basin provides grades every 3-4 weeks to help monitor academic performance.

• UTPB Dual Credit Academy staff are located in the Mesa Building MB 4207.

• UTPB students have access to the success center on campus or by way of online.

Student Expectations

• All students are encouraged to attend supplemental instruction as needed to ensure their academic success (tutoring, etc.)

• All students will be expected to comply with all university policies, procedures, guidelines and rules.

• In order to be successful, students must devote appropriate time for studies. Using time effectively while in “supplemental instruction” can reduce some of this requirement.
UTPB Dual Credit Academy
Admissions Requirements

1. To enroll in dual credit courses, the students must be in compliance with the Texas Success Initiative (TSI).

A. For any non-math courses, students must pass the reading and writing portion of the TSI.

B. For math courses students, must pass the math portion of the TSI.

TSI Assessment in Reading

The **TSI in Reading** is a multiple-choice test that covers the four content areas listed below.

- **Literary Analysis** measures your skill in identifying and analyzing ideas in elements of literary texts.

- **Main Idea and Supporting Details** measures your skill in identifying the main idea of a passage; comprehending explicit textual information in a passage.

- **Inferences in a Text or Texts** measures your skill in synthesizing ideas by making a connection or comparison between two passages; making an appropriate inference about single passages.

- **Author’s Use of Language** measures your skill in identifying an author’s purpose, tone, organization or rhetorical strategies and use of evidence; determining the meaning of words in context.
The multiple-choice section of the TSI in Writing measures your skills in the four content areas listed below.

- **Essay Revision** measures your ability to provide coherence, organization and good word choice; to achieve rhetorical effectiveness and use evidence.

- **Agreement** measures your ability to perform subject-verb agreement, pronoun agreement and determination of verb tenses.

- **Sentence Structure** measures your knowledge on topics like comma splices and run-on sentences; improper punctuation; fragments and parallelism; subordination and coordination.

- **Sentence Logic** measures your ability to correctly place modifying phrases, clauses, and the ability to use logical transitions.
The essay section of the TSI in Writing requires you to demonstrate clear focus, logically develop ideas in well-organized paragraphs, and use appropriate language that indicates your purpose.

- **Purpose and Focus:** The extent to which you present information in a unified and coherent manner clearly addressing the issue.

- **Organization and Structure:** The extent to which you order and connect ideas.

- **Development and Support:** The extent to which you develop and support ideas.

- **Sentence Variety and Style:** The extent to which you craft sentences and paragraphs demonstrating control of vocabulary, voice and structure.

- **Mechanical Conventions:** The extent to which you express ideas using Standard English.

- **Critical Thinking:** The extent to which you communicate a point of view and demonstrate reasoned relationships among ideas.

Online application can be found at https://general.utpb.edu/dualcredit/
Other Information and Residency

Ethnicity and Race:
1. Are you Hispanic or Latino? (A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race).  ○ Yes  ○ No

2. Please select the racial category or categories with which you most closely identify. Check as many as apply.
   □ American Indian or Alaska Native  □ Asian  □ Black  □ Hispanic or Other Pacific Islander  □ White

(UTPB Academy Student)

Residency Questions

Texas Higher Education Coordinating Board Rule 60.731 requires each student applying to enroll at an institution to respond to a set of core-residency questions for the purpose of determining the student’s eligibility for classification as a resident.

PART A: Student Basic Information: All Students must complete this section.

Name: ___________________________ Date of Birth: ___________________________

PART B: Previous Enrollment: For all students:

1. During the 12 months prior to the term for which you are applying, did you attend a public college or university in Texas for a fall or spring term?
   ○ Yes  ○ No

   2. What Texas public institution did you last attend or are currently attending? (Give full name, not just initial.)

3. In which term were you last enrolled? (Check all that apply)
   ○ Fall, 20___  ○ Spring, 20___

IMPORTANT:
A dependent student is a student who is legally claimed and provided at least one half of his or her support by parent/legal guardian. Students who are dependent student must provide information about parent/legal guardian on this form.

PART C: Residency Questions: Are you a resident of Texas?

   ○ Yes  (If “Yes,” go to Part D.)
   ○ No  (If you answered “No,” complete the following question and continue to Part I.)

What state or country are you a resident?

If you are uncertain, continue to Part D.

PART D: Acquisition of High School Diploma or GED.

1. Did you graduate or will you graduate from high school or complete a GED in TX prior to the term for which you are applying?
   ○ Yes  ○ No

2. If you graduated or will graduate from high school, what is the name and city of the school?

3. When you began the semester or term for which you are applying, will you have lived in TX for the previous 12 months?
   ○ Yes  ○ No

Instructions to Part D:
   - If you answered “Yes” to all four questions, skip to Part E and sign your name.
   - If you answered “Yes” to questions 1a, 1b, and 2, but “No” to question 3, complete a copy of the Affidavit in Chart II, you may go to the www.utpa.edu/quote-one, register, option, and renew, or you may contact us at 956-520-3673.
   - If you answered “Yes” to questions 1a, 1b, and 2, but “No” to question 3, complete a copy of the Affidavit in Chart II, you may go to the www.utpa.edu/quote-one, register, option, and renew, or you may contact us at 956-520-3673.

PART E: Certification of Residence: All students must complete this section.

I understand that failure of my application to successfully submit the information submitted on this form to determine my status for resident eligibility, I authorize the campus Warden to verify the information. I have provided my signature to verify the accuracy of any claims of information provided.

I certify that the information on this application is complete and accurate and I understand that the submission of false information is grounds for rejection of my application, withdrawal of any offer of acceptance, cancellation of enrollment, and/or appropriate disciplinary action.

Student Signature: ___________________________ Date: ___________________________
What is UTPB?

The University of Texas of the Permian Basin is dedicated to students and academic success. We are among the top Texas public universities and rank #6 for graduates who get jobs in Texas or go on to Texas graduate schools within a year of graduating. US News and World Reports most recent ranking of UTPB is #4 in the nation for lowest tuition. UTPB is recognized by US News and World Report for superior student achievement. UTPB is a full service university, offering programs both on campus and online.
The University of Texas of the Permian Basin

• UTPB offers Petroleum and Mechanical with an emphasis in Nuclear Physics all programs are ABET-Accredited. The Engineering Program strives to educate and train engineers to formulate and solve the problems of today and tomorrow. It is expected that students who apply themselves will not only be technically prepared but also broadly educated, and thus, ready to make a significant contribution. 1 of every 10 students at UTPB are enrolled in engineering.

• Aerodynamics Engineering is the most recent strand offered to UTPB students. This program attempts to educate in designing and conducts basic and applied science to evaluate adaptability of materials and equipment to aircraft design and manufacture.

• The Industrial Technology Program at UTPB offers students a broad based general Industrial Technology education. Graduates of the program will be equipped to meet the new and emerging challenge of a modern high technology society.
FALCON FINANCIAL PROGRAMS

The Falcon Promise

The Falcon Promise covers ALL tuition and mandatory fees; Books, room/board, supplies, and misc. expenses are exempt. This program is stackable with most academic scholarships. Requirements to qualify for The Falcon Promise include, but are not limited to:

- Texas residents with a combined family gross income of $60,000 or less
- Pell Grant eligible according to Free Application for Federal Student Aid (FAFSA)
- Full-time undergrad and transfer students

Must take a minimum of 12 credit hours, up to 15 hours each term (fall/spring)
- 2.00 GPA and completed 75% of the hours attempted during each regular term

For information on additional requirements and how to apply: Call the Financial Aid Office at 432-552-2620 Deadline: Completed financial aid paperwork by July 15

The $10,000 Bachelor of Science Degree/ Texas Science Scholars Program (TSSP)

The TSSP offers students who are seeking a Bachelor of Science degree an opportunity to pay only $2,500 in tuition per year (Fall/Spring) for four years. Requirements to qualify for the TSSP include, but are not limited to:

- Texas residents majoring in Chemistry, Computer Science, Geology, Information System, or Mathematics
- SAT/ACT and TAKS scores; Must be admitted unconditionally

Freshman students must be eligible to take Pre-Calculus (MATH 2412 or equivalent) and General Chemistry (CHEM 1311-1111)
- Transfer students must have completed Pre-Calculus (MATH 2412 or equivalent)

For information on additional requirements and how to apply: http://www.utpb.edu/texassciencescholar/
