Fall: The Research Assistance Desk is staffed from 9am-9pm. The Library Services Desk's hours of operation match the library's posted hours.

Fifteen minutes before the closing time, the sliding door entrance to the library is set to 'exit only' so that new patrons may not enter. **Printers and Services desk close at this time**.

Patrons still in the library may remain until 5min of the hour – when the entrance door is locked.

*Noon & Midnight are used as a quick reference to the time of day.
