### YOUR CLASS SCHEDULE

**Freshman**
- Work on your general education/common core and lower-level business core classes.
- Take BUSI 1301 and MATH 1324 (so you’re ready to take statistics).

**Sophomore**
- Complete general education/common core requirements.
- Complete the lower-level business core.

**Junior**
- Work on your upper-level business core.
- Begin taking major courses.

**Senior**
- Work on your general education/common core and lower-level business core classes.
- Take BUSI 1301 and MATH 1324 (so you’re ready to take statistics).

### ACADEMIC ADVISING

**Freshman**
- Participate in New Student Orientation.
- Meet with your Academic Advising Center Freshman Advisor before registration.

**Sophomore**
- Meet with your Academic Advisor before registration.
- Decide on electives and, possibly, certification that will support your career goals.

**Junior**
- Participate in New Student Orientation.
- Meet with your Academic Advising Center Freshman Advisor before registration.

**Senior**
- Participate in New Student Orientation.
- Meet with your Academic Advising Center Freshman Advisor before registration.

### ENRICHING EXPERIENCES

**Freshman**
- Explore student organizations.
- Join a student club in business or your discipline.
- Start getting to know other business students and the faculty.

**Sophomore**
- Seek out positions of leadership on and off campus.
- Practice working in teams.

**Junior**
- Keep working on your spreadsheet skills.
- Keep serving in leadership positions.
- Kaizen! Begin implementing the concept of continuous improvement in all aspects of your life. Always strive to do things better.

**Senior**
- Explore student organizations.
- Join a student club in business or your discipline.
- Start getting to know other business students and the faculty.

### LIFELONG SUCCESS

**Freshman**
- Explore career options. See what’s involved in getting into certain occupations that appeal to you.
- Begin to take every opportunity you get to work on your communication skills—writing and speaking—both on and off campus. Observe others with good communication skills.

**Sophomore**
- Begin attending events where you can meet employers and members of the community, and learn how to communicate with them, ask questions, and get career advice.
- Begin to develop career goals.

**Junior**
- Keep networking and exploring career options.
- Keep practicing those communication skills.
- Attend career-development workshops, such as resume writing and job interviewing.
- Attend internship opportunities.
- Attend job fairs to explore opportunities and practice interviewing.

**Senior**
- Explore career options. See what’s involved in getting into certain occupations that appeal to you.
- Begin to take every opportunity you get to work on your communication skills—writing and speaking—both on and off campus. Observe others with good communication skills.
