General

1. The following changes and/or additions to the 100% Contract Documents shall apply to bid proposals made for the project and for the execution of the various parts of the work affected by requirements of this Addendum.
2. All interested parties shall take careful note of the Addendum and all trades shall be fully informed of requirements, including their performance of the work involved.
3. This Addendum forms part of the 100% Construction set, issued **2/28/2025**. The following changes, omissions, or alterations to the specifications and drawings shall be made. Insofar as the specifications and drawings are inconsistent with the following, this addendum shall govern.
4. This addendum is generally separated into sections for convenience; however, all contractors, subcontractors, material suppliers and other parties shall be responsible for reading the entire addendum. The failure to list an item or items in all affected sections of this addendum does not relieve any party affected from performing as per instructions, providing that the information is set forth one time in any place in this addendum.
