

Transforming How Texas
Government Serves Texans

Statewide Historically Underutilized Business Program

HUB Talk Series 4: Minority Trade Organizations

Join us for training, networking, questions and answers.

WEDNESDAY, MAY 27, 2020

10:00 A.M. - 11:00 A.M.

Maximizing Minority Trade Organizations is important to increase the Certifications of the Statewide HUB program. We will meet more of our regional small business association and organization partners who will share their expertise and resources to further the success of their small business memberships. Hear about their resources and opportunities and learn how they add to the HUBs participating in state, local, and regional opportunities.
