SECTION 1 - INTRODUCTION

1.1 Description of The University of Texas Permian Basin

The Texas Legislature established the University of Texas Permian Basin in 1969 as an upper-level institution, offering junior, senior and graduate level classes. Courses were first taught in the fall of 1973. In 1991, UTPB was granted authority by the legislature to offer freshman and sophomore level classes. Currently, UTPB offers degrees in 34 undergraduate programs and 19 Graduate areas of study. The University of Texas Permian Basin has become a leader in on-line education and offers several degrees completely on-line at the undergraduate and graduate level. Enrollment fall 2020 was approximately 6,200 with about 1,200 students residing on campus. Accredited programs include Petroleum Engineering (ABET), Mechanical Engineering (ABET), Teacher Certification (NCATE), Athletic Training (CAATE), Music (NASM), Social Work (CSWE), Business (AACSB), and Nursing (CCNE).

The first school in Texas to offer a \$10,000 bachelor's degree in select majors, UTPB has now been recognized as the fourth least expensive Texas public, four-year institution for all college expenses, including tuition and fees, according to a College for All Texans' report. The Athletic program consists of 16 NCAA Division II athletic teams involving over 400 student-athletes. UTPB is a member of the Lone Star Conference, one of the traditionally strongest conferences in the country. UTPB has been recognized by the Texas Higher Education Coordinating Board as having had a greater percentage of students employed or attending graduate school after graduation than other Texas schools. In addition, as College for Texans has pointed out, UTPB graduates exceed the state average for salaries one year after graduation. To find out more about UT Permian Basin, please visit www.utpb.edu

- 15.4 Pursuant to §231.006(d), Texas Family Code, regarding child support, the Bidder certifies that the individual or business entity named in this bid is not ineligible to receive the specified payment and acknowledges that the contract may be terminated and payment may be withheld if this certification is inaccurate.
- 15.5 Under §2155.004, Gov't Code, the Bidder certifies that the individual or business entity named in this bid or any contract resulting from this IFB is not ineligible to receive the specified contract and acknowledges that the contract may be terminated and payment withheld if this certification is inaccurate. §2155.004 prohibits a person or entity from receiving a state contract if they received compensation for participating in preparing the solicitation or specifications for the contract.
- 15.6 As required by §2252.903, Gov't Code, Bidder agrees that any payments due under a contract resulting from this IFB shall be directly applied towards eliminating any debt or delinquency including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support, until the debt is paid in full. Bidder shall comply with rules adopted by University under §§403.055, 403.0551, 2252.903, Gov't Code and other applicable laws and regulations regarding satisfaction of debts or delinquencies to the State of Texas.
- 15.7 Pursuant to §669.003, Gov't Code, University may not enter into a contract with a person who employs a current or former executive head of the University until four years has passed since that person was the executive head of the University. By submitting a bid, the Bidder certifies that it does not employ any person who was the executive head of University in the past four years. If Bidder does employ a person who was the executive head of University, provide the following information:

Name of Former Executive:

Name of State Agency:

Date of Separation from State Agency:

Position with Bidder:

Date of Employment with Bidder:
- 15.8 Bidder certifies that the bidding entity and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state or local governmental entity and that Bidder is in compliance with the State of Texas statutes and rules relating to procurement and that Bidder is not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at <https://www.sam.gov/portal/SAM/>.
- 15.9 Bidder represents and warrants that it has no actual or potential conflicts of interest in providing the requested services to University under the IFB and any resulting contract, if any, and that Bidder's provision of the requested services under the IFB and any resulting contract, if any, would not reasonably create an appearance of impropriety.

SECTION 16 - NOTE TO BIDDER

If Bidder takes any exceptions to any provisions of the IFB, these exceptions must be specifically and clearly identified by section in Bidder's bid in response to the IFB and Bidder's proposed alternative must also be provided in the bid. Bidders cannot take a 'blanket exception' to the entire IFB. If any Bidder takes a 'blanket exception' to the entire IFB or does not provide proposed alternative language, the Bidder's bid may be disqualified from further consideration.

SECTION 17 - PROTEST PROCEDURES

Any actual or prospective Bidder who is aggrieved in connection with this IFB, evaluation, or award of any contract resulting from this IFB may formally protest as provided in State rules at 34 TAC Rule 20.384.

SECTION 18 – BREACH OF CONTRACT CLAIMS

The dispute resolution process provided for in Chapter 2260, Gov't Code must be used by University and the Bidder to attempt to resolve any dispute arising under any contract resulting from this IFB.

SECTION 19 - NON-APPROPRIATION OF FUNDS

Any contract resulting from this IFB is subject to termination or cancellation, without penalty to University, either in whole or in part, subject to the availability of state funds. University is a state agency whose authority and appropriations are subject to actions of the Texas Legislature. If University becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds which would render University's or Bidder's delivery or performance under the contract impossible or unnecessary, the contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this Section, University will not be liable to Bidder for any damages, which are caused or associated with such termination, or cancellation and University will not be required to give prior notice.

SECTION 20 - TEXAS PUBLIC INFORMATION ACT:

Notwithstanding any provisions of this IFB to the contrary, Bidder understands that University will comply with the Texas Public Information Act (Chapter 552, Gov't Code) as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this solicitation or any resulting contract may be subject to public disclosure pursuant to the Texas Public Information Act. Within three (3) days of receipt, Bidder will refer to University any third party requests, received directly by Bidder, for information to which Bidder has access as a result of or in the course of performance under any contract resulting from this IFB. Any part of the solicitation response that is of a confidential or proprietary nature must be clearly and prominently marked as such by the Bidder.

SECTION 21 - CONFLICT OF INTEREST

Under §2155.003, Gov't Code, a University employee may not have an interest in, or in any manner be connected with a contract or bid for a purchase of goods or services by an agency of the state; or in any manner, including by rebate or gift, accept or receive from a person to whom a contract may be awarded, directly or indirectly, anything of value or a promise, obligation, or contract for future reward or compensation. Any individual who interacts with public purchasers in any capacity is required to adhere to the guidelines established in Section 1.2 of the State of Texas Procurement Manual, which outlines the ethical standards required of public purchasers, employees, and Bidders who interact with public purchasers in the conduct of state business, and with any opinions of or rules adopted by the Texas Ethics Commission. Entities who are interested in seeking business opportunities with the State must be mindful of these restrictions when interacting with public purchasers of University or purchasers of other state agencies.

SECTION 22 - FORCE MAJEURE

Neither Bidder nor University shall be liable to the other for any delay in, or failure of performance, of any requirement included in any contract resulting from this IFB caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

SECTION 23 - INDEPENDENT CONTRACTOR

Bidder is and shall remain an independent contractor in relationship to University. University shall not be responsible for withholding taxes from payments made under any contract resulting from this IFB. Bidder shall have no claim against University for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind.

SECTION 24 – INDEMNIFICATION

BIDDER SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS, ITS OFFICERS, AND EMPLOYEES, AND UNIVERSITY, ITS OFFICERS, AND EMPLOYEES AND CONTRACTORS, FROM AND AGAINST ALL CLAIMS, ACTIONS, SUITS, DEMANDS, PROCEEDINGS, COSTS, DAMAGES, AND LIABILITIES, INCLUDING WITHOUT LIMITATION ATTORNEYS' FEES AND COURT COSTS, ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM ANY ACTS OR OMISSIONS OF BIDDER OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF BIDDER IN THE EXECUTION OR PERFORMANCE OF ANY CONTRACT WITH BIDDER RESULTING FROM THIS IFB. BIDDER SHALL COORDINATE ITS DEFENSE WITH THE TEXAS ATTORNEY GENERAL AS REQUESTED BY UNIVERSITY. THIS SECTION IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE BIDDER TO INDEMNIFY OR HOLD HARMLESS THE STATE OR UNIVERSITY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF UNIVERSITY OR ITS EMPLOYEES.

SECTION 25 - RIGHT TO AUDIT

In addition to and without limitation on the other audit provisions of this IFB, pursuant to §2262.003, Texas Government Code, the state auditor may conduct an audit or investigation of the Bidder or any other entity or person receiving funds from the state directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the Bidder or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Bidder or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. This IFB or any contract resulting from this IFB may be amended unilaterally by University to comply with any rules and procedures of the state auditor in the implementation and enforcement of §2262.003, Texas Government Code. Bidder will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Bidder and the requirement to cooperate is included in any subcontract it awards.

SECTION 26 – BONDS

- 26.1 Construction Bonds. Contractor is required to tender to Owner, prior to commencing the Work, performance and payment bonds, as required by Tex. Gov't Code, Chapter 2253.
- 26.1.1 Bond Requirements. Each bond shall be executed by a corporate surety or sureties authorized to do business in the State of Texas and acceptable to Owner, on Owner's form, and in compliance with the relevant provisions of the Texas Insurance Code. If any bond is for more than ten (10) percent of the surety's capital and surplus, Owner may require certification that the company has reinsured the excess portion with one or more reinsurers authorized to do business in the State. A reinsurer may not reinsure for more than ten (10) percent of its capital and surplus. If a surety upon a bond loses its authority to do business in the State, Contractor shall, within thirty (30) days after such loss, furnish a replacement bond at no added cost to Owner.
- 26.1.1.1 A Performance bond is required if the Contract Sum is in excess of \$100,000. The performance bond is solely for the protection of Owner. The performance bond is to be for the Contract Sum to guarantee the faithful performance of the Work in accordance with the Contract Documents. The form of the bond shall be approved by the Office of the Attorney General of Texas. The performance bond shall be effective through Contractor's warranty period.

26.1.1.2 A Payment bond is required if the Contract price is in excess of \$25,000.
