

| Foundation                             | Focus Areas  | Website  |
|--|--|--|
| Howard Hughes Medical Institute (HHMI) | Biomedical, genetics, molecular biology                                      | <a href="http://hhmi.org">hhmi.org</a>                                   |
| Alfred P. Sloan Foundation             | Math, physics, chemistry, comp. science, engineering                         | <a href="http://sloan.org">sloan.org</a>                                 |
| Gordon and Betty Moore Foundation      | Physics, astronomy, environmental, data-driven science                       | <a href="http://moore.org">moore.org</a>                                 |
| Simons Foundation                      | Mathematics, physics, neuroscience, computational biology                    | <a href="http://simonsfoundation.org">simonsfoundation.org</a>           |
| W. M. Keck Foundation                  | High-risk, high-reward STEM, instrumentation                                 | <a href="http://wmkeck.org">wmkeck.org</a>                               |
| Burroughs Wellcome Fund                | Biomedical, computational biology, infectious disease                        | <a href="http://bwfund.org">bwfund.org</a>                               |
| David and Lucile Packard Foundation    | Early-career STEM, environment, innovation                                   | <a href="http://packard.org">packard.org</a>                             |
| Bill & Melinda Gates Foundation        | Global health, vaccines, agriculture, tech for development                   | <a href="http://gatesfoundation.org">gatesfoundation.org</a>             |
| Rockefeller Foundation                 | Public health, sustainability, climate, energy                               | <a href="http://rockefellerfoundation.org">rockefellerfoundation.org</a> |
| Kavli Foundation                       | Physics, nanoscience, neuroscience, astrophysics                             | <a href="http://kavlifoundation.org">kavlifoundation.org</a>             |
| Getty Foundation                       | Visual arts, art history, conservation, archives, curation                   | <a href="http://getty.edu/foundation">getty.edu/foundation</a>           |
| Ford Foundation                        | Social justice, cultural arts, diversity, inclusion in the humanities        | <a href="http://fordfoundation.org">fordfoundation.org</a>               |
| Asian Cultural Council (ACC)           | Cross-cultural exchange in visual and performing arts, art history, curation | <a href="http://asianculturalcouncil.org">asianculturalcouncil.org</a>   |
